MEMORANDUM FOR THE RECORD

SUBJECT: Determination of Effective Date for Transfer Allowance and Home Service Transfer Allowance

I checked with Mr. Lyerly x2810 of the Legal Advisor's Office of the Department of State, who tells me that the Department has considered the date of arrival at the post (city) as the effective date for the transfer allowance abroad and the date of entrance on duty here in Washington as the effective date for the home service transfer allowance here. This, I think, is consistent with the treatment given these two points by this Agency.
